

Allocation of Sports Premium Grant 2014 - 15

The government is providing funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

St. Michael's allocation for this year will be approximately £10,100. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Each school will have the freedom to choose how they can improve their provision of PE and sport through this funding. Schools are free to spend this funding as they see fit. However we will be held accountable for how we have used the additional funding to impact on all children in the school.

Planned Use of Funding 2014-15

The funding will enable the school to:

- Provide a PE consultant to lead teacher training
- Give teachers the opportunity to observe and work alongside expert coaches to enhance their subject knowledge and skills in teaching PE
- Employ high quality coaches to provide challenging lessons to pupils
- Improve the quality of PE teaching and learning by investing in support materials for teachers
- Provide staff with opportunities to attend PE training courses
- Purchase new resources
- Offer every Key Stage 2 child the opportunity to join a sports club: Capoeira, Olympians Athletics Club, Futsal, Girls Football, Boys Football, Netball, Hockey, Cross Country Running, Gymnastics, FA Football Coaching (Summer term), tennis
- Offer every Key Stage 1 child the opportunity to join a sports club including: Capoeira, Multi-skills Club, Futsal,
- Offer every Reception child the opportunity to join a gymnastics club
- Provide funded places for holiday sports clubs for least active pupils

Measuring Impact of Sports Premium Funding

Our intended outcome is to continue to improve our outstanding PE provision by continuing to invest in effective CPD for staff, high quality coaching for outside experts and quality resources to support teaching and assessment. We are targeting all of our children to take part in at least one after school sports club every year. We aim to provide an increasingly wide range of sports clubs and opportunities for our children to take part in so that they foster a love of sport. The attainment and progress of pupils will be tracked throughout the year. A register of Sports Club will be kept to track the uptake of Sports Club.

Summary of Impact: 2014 – 2015

Achievement

On average, the attainment of pupils is above national expectations in every year group.

On average, the progress of pupils is above national expectations in every year group.

Teachers reported feeling more confident in the planning, teaching and assessing of P.E. following the

teacher training and extra resources provided to all teachers.

Next Steps

To provide further teacher training next year to continue to build on the outstanding teaching of PE
To continue to target individual children and groups of children that are below attainment or progress expectations.

Sports Clubs

A wider range of sports clubs have been funded this year with 90% of pupils partaking in at least one sports club this year

Next Steps

To continue to provide a wide range of sports clubs to all pupils.
To aim for every child to partake in a sports club.
