

8th January 2016

Dear Parents

Retirement of Chair of Governors of St Michael School

We would like to inform you that Mr Clive Taylor has notified us of his retirement as Chair of the Governing Body with immediate effect.

Mr Taylor has been a governor at the school for approximately 25 years having joined the Board in 1991, when his children were pupils at the school. For the last 10 years Mr Taylor has successfully chaired the Governors, being a tremendous support to the school community and giving tirelessly of his time and energy.

Mr Taylor has worked very closely with Miss Beirne and Mr Lane in guiding and supporting St. Michael's to become the outstanding Catholic School it is today.

On your behalf, we would like to take this opportunity to express our gratitude and thanks to Mr Taylor for his years of wisdom, generosity of time, expertise and unfailing dedication in his role as Chair of Governors. Quite simply, without him the school would not be the success it is today.

We are confident that the Governing Body will continue to develop and grow using the strong foundations Mr Taylor has put in place under his leadership.

We wish Mr Taylor a long and healthy retirement from the school.

Kind regards

Staff and Governors of St Michael's School
