

Allocation of Sports Premium Grant 2013 - 14

The government is providing funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

St. Michael's allocation for this year will be approximately £10,100. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Each school will have the freedom to choose how they can improve their provision of PE and sport through this funding. Schools are free to spend this funding as they see fit. However we will be held accountable for how we have used the additional funding to impact on all children in the school.
