

Saint Michael Catholic Primary School

Homework Policy

Mission Statement:

Excellence • Enrichment • Enjoyment

Date Policy accepted by the Governing Body: July 2014

Updated: July 2017

Date for review: July 2018

Rationale

We believe homework consolidates and reinforces skills and understanding in English, Maths, Religious Education and other curriculum areas. It helps raise the level of achievement of individual pupils, provides opportunities for parents and children to work together and, thereby, fostering an effective partnership between home and school. It is our mission, as a Catholic school, to support parents as the primary educators of their children. Setting homework enables us to do this. We believe that this policy will be successful if there is a strong partnership between home and school which is reflected in the Home-School Agreement. We recognise that all children need leisure time and hope that our policy reflects a balance so children can extend and consolidate their learning with parental support while still allowing 'down time.'

Homework Timetable

A breakdown of how homework is structured across the school is provided below. This has been designed to encourage a gradual progression of skills and expectation so by the time children reach Year 6 they have established a clear routine in preparation for secondary school.

An individual homework timetable will be included in every child's Home-School Link book.

Holiday Homework

A Holiday Homework Project will be set 1 week before a half-term holiday break in preparation for the forthcoming cross-curricular topic. This will allow the children at least 2 weeks to complete the project in recognition of the fact that parents may be away from home during the holiday period.

The homework projects are designed to be open ended and a chance for the children to collaborate with parents or friends to present their learning in a creative way for their class mates eg a model, a painting, a powerpoint presentation, a story, a poem, a quiz, an investigation, a piece of non-fiction writing, a poster etc.

Additional homework may be set over holiday periods under special circumstances, e.g in SATs year groups.
