Dear Parents and Carers,

Thank you very much to the 80 of you that responded to the recent Ascension Catholic Academy Trust (ACAT) Parent/Carer Survey. Some particular highlights from the survey feedback was that **100% of respondents would recommend this school to another parent** and you either strongly agreed or agreed with the following statements:

- This school is a supportive and joyful community
- My child feels safe at school
- Staff at this school are positive role models for my child
- The school makes me aware of what my child will learn during the year

Within the other questions asked there were a small number of 'don't know' or 'neither agree or disagree' responses and very few negative responses. The positive feedback is very reassuring and a great sign that the school continues to be a successful, joyful, safe, Catholic school that you would recommend to another parent. Thank you for that ongoing support. It is never taken for granted. There were also some heart-warming comments such as:

I love this school and I count my children very lucky to have attended such a brilliant primary school. The staff are committed to providing the best for the pupils to ensure that they not only learn to their potential but also have fond memories of their time at school.

This is an incredible school that I feel confident keeps my child safe and happy and she is making great personal and academic progress.

The school really goes above and beyond to make learning exciting and meaningful. My child and all her friends absolutely love it, and you can tell how much effort the staff put into it.

Nursery staff have been so kind throughout the transition into a new nursery, the new app is so clear and it is brilliant to see updates.

Thank you for improving the way the pantomime tickets were allocated this year and well done to the strong PTA for everything they are doing for the school!

My child is in Year 6 so currently working towards doing the SATS exams. I feel her teacher is fully supportive and aware of her specific needs and goes over and above to fulfil them. Thank you!

Once again, thank you for your support. By working closely together, we can continue to ensure that your child continues to flourish and receives the very best Catholic education.

Yours sincerely,

J. Lane
