

EcoClub ACTION PLAN 2023-2024

biodiversity

- Establish bird feeders around the school and make sure they are topped up regularly
- Establish a dedicated wildflower meadow
- Take part in RSPB Big School's Birdwatch
- Fundraise for an Eco-Cause
- One year group to visit a nature reserve each year

energy

- Choose energy monitors to make sure lights etc are off at lunch
- Design posters to remind us to switch off
- Share energy saving tips in our EcoNewsletter
- Plan an energy-free day
- Investigate renewable energy resources

global citizenship

- Raise money for an environmental charity
- Create a link to a school in another country
- Declare a climate emergency
- Ensure all products used in school are Fair Trade wherever possible
- Write campaign letters to our MP about protecting our world

healthy living

- Establish our own fruit & veg patch and herb gardens
- Eat some of our school-grown food with our meals
- Work with caterers to share menu ideas

litter

- Invite members of our community to take part in a big litter pick
- Take part in the Keep Britain Tidy *Great Big School Clean*
- Work with the Litter Bugs to make sure our school is completely free of litter

marine

- School ban on balloon releases and glitter
- Set up a strict laminating policy
- Raise awareness for marine life conservation
- Use environmentally friendly cleaning products
- Ban single use plastics
- Encourage families to not use single-use plastics in lunchboxes

school grounds

- Provide each class with a plant to look after
- Investigate a green roof and living walls
- Fundraise for a greenhouse
- Allocate a wildflower area which doesn't get mown
- Each class to have gardening lessons and learn about different species
- RHS Schools Award

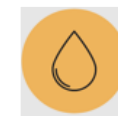

transport

- Investigate electric vehicle charging points
- Join a scheme to encourage environmentally friendly travel to school
- Achieve Modeshift stars Award
- Take part in the Golden Boot challenge
- Bring Your Bike day

waste

- Join a battery recycling scheme
- Start a school compost bin
- Set up a book exchange
- Identify ways to reduce food waste
- Make sure everyone puts the right thing in recycling bins

water

- Install water saving devices
- Make posters to remind people to turn off the taps
- Put water saving tips into EcoNewsletter
- Raise money for WaterAid
- Use hand dryers instead of paper towels

EcoClub ACTION PLAN 2023-2024

extras

- Organise eco-themed school trips
