

Saint Michael Catholic Primary School & Nursery – **SPRITUAL, MORAL, SOCIAL AND CULTURAL DEVELOPMENT (SMSC)**

Our Catholic ethos, religious education and wider school curriculum is designed to ensure our pupils develop their spiritual, moral, social and cultural education.

This essential personal development helps our pupils aspire to be virtuous, kind, compassionate citizens of the world.

These fundamental values and virtues are promoted in all we do and say but some specific curriculum opportunities for explicit teaching of these values are detailed below.
